TUITION AND FEES

RIS Tuition and Fees have been structured into three main categories: **Initial Fees** (for new students), **Tuition & Fees** (for all students), and **Additional Fees** (for other miscellaneous or optional fees). As opposed to a roundup of all costs, specific fees have been listed and detailed in this policy to inform parents about the description and cost of each item:

INITIAL FEES

APPLICATION FEE – a one-time 5,000 baht payment for application and testing

REGISTRATION FEE – a one-time 200,000 baht payment due upon registration (once a student has been accepted)

RE-ENROLLMENT DEPOSIT – a one-time 50,000 baht deposit for every student entering the school, after which all students are automatically re-enrolled. (This deposit is fully refundable upon graduation or withdrawal as long as the withdrawal notification deadlines (*below*) are met.)

DURING SEMESTER 1	DURING SEMESTER 2
Notify by October 15 (for semester 2 departure)	Notify by March 15 (for following school year departure)

LEARNING RESOURCES FEE – a one-time non-refundable 40,000 baht payment that covers books, materials used in class, and other educational resources in the libraries for the whole duration the student is at RIS.

NOTE: Students who enrolled *before* the 2021–2022 school year were charged a refundable Textbook Fee. The previous conditions pertaining to this fee will be honored for them.

CAMPUS DEVELOPMENT FEE – a 10,000 baht per-semester fee that supports the development and maintenance of the campus

NOTE: The **Campus Development Fee** applies to students enrolled in 2020–2021 and all school years thereafter. This fee replaces the previous 200,000-baht Campus Development Fund deposit. For students enrolled *before* the 2021–2022 school year who have paid this deposit, the previous terms and conditions will be honored.

TECHNOLOGY FEE – a 6,000-baht fee for initial necessary school supplies and the use of technology devices for students in Kindergarten to grade 5 only (charged at the beginning of the school year)

SIBLING REDUCTIONS

RIS offers yearly discounts for second siblings and any additional sibling(s) who are students enrolled at RIS in the same academic year.

The sibling reductions include:

- a 50,000-baht discount for the registration fee, and
- a tuition discount of 15,000 baht per semester

This discount only applies to students who pay the full tuition fee and is not applicable to siblings who have been granted scholarships or other reductions.

NOTE: The sibling discount will no longer apply once the initial sibling leaves and only one child of the family remains at RIS. In such an event, RIS offers scholarships. If applicable, parents are advised to consult with the Advancement and Admissions offices for more information on the application process.
